

NEW BEDFORD ANIMAL CONTROL MISSION STATEMENT

As Animal Control Officer for the City of New Bedford I will strive:

- * to protect and preserve the well being of those animals, both domestic and wild, which are under my jurisdiction.
- * to enforce without prejudice local and state statues relevant to all animals, their control and keeping.
- * to inform and educate the community, legislative and administrative personnel on the significance and diversities of the Animal Control Officer
- * to promote and encourage the opportunities for educational standard and requirements by which the performance of our profession may be measured.
- * to participate in the active development on the state and federal level concerning Animal Control and Animal Welfare issues.
