REQUEST FOR PROPOSALS - INSTRUCTIONS FY 2016 EMERGENCY SOLUTIONS GRANT FUNDS

The City of New Bedford's Department of Planning, Housing, and Community Development (DPHCD) is seeking proposals and input for inclusion in its **Fiscal Year 2016 Action Plan**. The Fiscal Year 2016 Program Year will run from **July 1, 2016 through June 30, 2017**. Successful proposals must address the homeless and emergency shelter needs presented in the City of New Bedford's Consolidated Plan and must meet the guidelines articulated in this Request for Proposals (RFP).

The Consolidated Plan sets forth the City of New Bedford's community priorities and needs, offering strategies and estimated costs for meeting those needs. The U.S. Department of Housing and Urban Development requires all entitlement communities to create Consolidated Plans and to update them every five (5) years. The FY16 Action Plan will serve as the annual document that will articulate the means by which the goals and objectives of the Consolidated Plan are being met and responded to during the coming fiscal year. This particular Action Plan will represent the second of five such annual plans being produced in response to the current Consolidated Plan.

If you are interested in submitting a proposal for consideration, you must complete the attached application form that will be made available online at <http://www.newbedford-ma.gov/community-development/> and submit it with all required materials by **Friday, February 12, 2016 at 12:00 PM** to the following location:

City of New Bedford
Department of Planning, Housing, and Community Development
Attention: Patrick J. Sullivan, Director
Anthony S. Catojo, Jr. Building
608 Pleasant Street, 2nd Floor
New Bedford, MA 02740

Only those proposals submitted for *eligible* activities in accordance with the required format (see attached forms and instructions) will be considered for funding. A summarized list of eligible activities is attached to the proposal form along with a summary of activities that are considered *ineligible*. If you are considering submitting an application for funding and are not sure if the project or program is eligible, you may contact 508-979-1500 for assistance.

In addition, the Department of Planning, Housing, and Community Development invites you to attend an Emergency Solutions Grant RFP Assistance Workshop at its Offices located at 608 Pleasant Street on Friday, January 15, 2016 at 10:00 A.M. to assist you with the application process.

Thank you for your interest in the Emergency Solutions Grant Program.

I. GENERAL INFORMATION

EMERGENCY SOLUTIONS GRANT

The Homeless Emergency Assistance and Rapid Transition to Housing Act of 2009 (HEARTH Act), enacted into law in May 2009, amends and reauthorizes the McKinney-Vento Homeless Assistance Act with substantial changes, including:

- A. Consolidation of three (3) homeless programs into a single grant program;
- B. Changes in HUD's definition of homelessness and chronic homelessness;
- C. Increased prevention and rapid re-housing resources; and,
- D. Increased emphasis on performance and continuum-wide coordination.

The law revises the Emergency Shelter Grants program and renames the program the Emergency Solutions Grants (ESG) program.

ESG is designed to broaden existing emergency shelter and homelessness prevention activities, emphasize rapid re-housing, and help people quickly regain stability in permanent housing after experiencing a housing crisis and/or homelessness. ESG funds may be used for street outreach, emergency shelter services, homelessness prevention, rapid re-housing assistance, and the Homeless Management Information System (HMIS).

The stated objectives of the Emergency Solutions Grants Program are to "increase the number and quality of emergency shelters and transitional housing facilities for homeless individuals and families, to operate these facilities and provide essential social services, and to help prevent homelessness."

To review additional information on the program's guidelines, consult the U.S. Department of Housing and Urban Development website at:

<https://www.hudexchange.info/programs/esg/>

Emergency Solutions Grant Program may be used for:

- Street outreach;
- Emergency shelter;
- Homelessness prevention;
- Rapid re-housing assistance; and
- Homeless Management Information System (HMIS)

HOMELESS DEFINITION

As part of the new regulations, a new definition of Homelessness is defined below:

A person is considered eligible for ESG funding if they meet the definition of homeless. There are four (4) broad categories under the definition of homeless:

1. Individuals and families who lack a fixed, regular, and adequate nighttime residence. This includes a subset for an individual who resided in an emergency shelter or a place not meant for human habitation and who is exiting an institution where he or she temporarily resided;
2. Individuals and families who will imminently lose their primary nighttime residence;
3. Unaccompanied youth and families with children and youth who are defined as homeless under other federal statutes who do not otherwise qualify as homeless under the definition by the U.S. Department of Housing and Urban Development (HUD);
4. Individuals and families who are fleeing, or are attempting to flee, domestic violence, dating violence, sexual assault, stalking, or other dangerous or life-threatening conditions that relate to violence against the individual or a family member.

For an individual or family to qualify as at risk of homelessness the individual or family must meet two (2) threshold criteria:

1. The individual or family has income below 30 percent of median income for the geographic area; and
2. The individual or family has insufficient resources immediately available to attain housing stability.

The individual or family must also exhibit one or more specified risk factors, which include:

- Moving frequently because of economic reasons;
- Living in the home of another because of economic hardship;
- Being notified that their right to occupy their current housing or living situation will be terminated;
- Living in a hotel or motel;
- Living in severely overcrowded housing;
- Exiting an institution; and
- Living in housing that has characteristics associated with instability and an increased risk of homelessness.

For additional information about the new homeless definition, please refer to the following website <https://www.hudexchange.info/homelessness-assistance/hearth-act/>

FUNDING ALLOCATIONS

Funding for the FY 2016 Program year available under the ESG Program is estimated¹ to be in the amount of **\$227,275**.

ELIGIBLE APPLICANTS

Applicants may be non-profit organizations and local governmental entities that provide direct services to homeless persons or persons at risk of becoming homeless.

MATCH REQUIREMENTS

Organizations must match ESG funds a minimum of 100% from non-ESG sources. The amount of match required of each organization will be agreed upon during contract negotiations. Matching funds must be provided after the date of the grant award. Funds used to match a previous ESG activity may not be used to match a subsequent grant award.

Applicants may use any of the following as sources of match:

- Cash;
- The value or fair rental value of any donated material or building;
- The value of any lease on a building;
- Any salary paid to staff to carry out the program; and
- The value of the time and service contributed by volunteers to carry out the program.

(Note: Volunteers providing professional services such as medical or legal services are valued at the reasonable and customary rate in the community.)

RELIGIOUS ORGANIZATIONS

Grant awards may be provided to a subrecipient that is a primarily religious organization if the organization agrees to provide all eligible activities under this program in a manner that is free from religious influences and in accordance with the ESG regulations.

PROPOSAL REVIEW

Once submitted, no proposal may be amended or substituted, unless the amendment has been requested or permitted by the city. The city, at its sole discretion, reserves the right to contact an applicant if additional information is required. As a courtesy to applicants, staff is always available to provide assistance prior to the application due date.

TIMEFRAME

The city anticipates, but is not bound by, the following schedule for reviewing submitted proposals and determination of funding awards:

Request for Proposals Timeframe	
RFP Availability Date	January 12 & 13, 2016
Public Meeting Dates	January 12 & 13, 2016
RFP Assistance Workshop	January 15, 2016 at 10:00am
Deadline for Proposal Submissions	February 12, 2016 at 12:00pm
Review Period	March 18 – April 25, 2016
Action Plan Development, Public Review Period	March & April 2016
Letters of Award / Denials	May 2016
Funding Year Begins	July 1, 2016

¹ FY2016 allocations are provided by the Department of Housing and Urban Development and are subject to change and modification.

II. ELIGIBILITY AND SELECTION

The city will evaluate all ESG proposals in a three-phase process:

1. The first phase will involve a review of the proposals by the staff of the Department of Planning, Housing & Community Development (DPHCD) for conformance to the submission requirements and a determination of whether the proposals meet the minimum criteria established in this RFP. Each proposal will be reviewed for program eligibility under the regulations of the ESG Program, and feasibility for implementation.
2. The second phase will involve an evaluation of the proposal merits by the staff of the DPHCD. During this phase, and at its discretion, city staff may conduct interviews with qualifying applicants and provide the applicant the opportunity to clarify their proposal and advise the city of any additional factors, which may be relevant. The Project Review Committee of the Homeless Service Providers Network (HSPN) will review all proposals as part of our Continuum of Care.
3. The final phase will be a review of the applications and recommendations of the DPHCD by the Mayor's Review Committee.

ELIGIBLE ACTIVITIES (Eligible Activities and Funding Caps)

ESG funding may be used by shelters and other service providers for five (5) main categories of eligible activities.

1. Street Outreach & Emergency Shelter:

Eligible activities for street outreach include engagement, case management, emergency health and mental health services, transportation, and services for special populations.

Eligible activities for emergency shelter include the same essential services as street outreach and also include shelter activities such as renovations and operations of facilities. Combined street outreach and emergency shelter expenditures cannot exceed 60% of the fiscal year's total ESG grant award.

2. Homeless Prevention:

Funds can be used to prevent an individual or family from becoming homeless or to help an individual or family regain stability in current housing or other permanent housing. Eligible activities include housing relocation and stabilization services and short- and medium-term rental assistance for those who are at risk of becoming homeless.

3. Rapid Re-housing:

Eligible activities include housing relocation and stabilization services and short- and medium-term rental assistance for those who are literally homeless.

4. Homeless Management Information System (HMIS):

The City of New Bedford is the HMIS lead agency for the New Bedford Continuum of Care. Subrecipients of ESG grant awards will be required to participate in the city's approved HMIS system. Other eligible activities for this component include HMIS data entry and reporting, attending HMIS training, computer hardware and software related to HMIS.

5. Administration:

Administration costs cap at a total of 7.5%.

SELECTION: RANKING CRITERIA FOR FUNDING PROPOSALS

Emphasis will be placed on applicants who meet or exceed the standards discussed in this section. For those providers who are proposing new or expanded programs, emphasis will additionally focus on capacity and exemplary past performance.

Staff will utilize the following criteria, in addition to HUD eligibility requirements and the city's Consolidated Plan priorities, in evaluating proposals submitted for ESG funding:

A. IMPACT ON CONSOLIDATED PLAN PRIORITY NEEDS

The need for the proposed project will be determined by identifying how the project impacts upon the adopted Consolidated Plan Priority Needs and the Continuum of Care Strategy, Exhibit 1 [available online at <http://www.newbedford-ma.gov/community-development/>]. Therefore, applications must provide a clear explanation of how the project impacts upon Consolidated Plan Priority Needs and the Continuum of Care. Greater consideration will be given to projects that provide a clear description of the project with supporting data and methodology of how the project will meet needs identified in these Plans.

B. PROJECT DESCRIPTION, PERFORMANCE EVALUATION CRITERIA & BUDGET

The content and soundness of all applicants' project design will be evaluated. This evaluation shall include a review of proposed project activities set forth in the narrative and the budget to support these activities.

Several factors will be considered when reviewing a project's budget. All budget reviews will include, but not be limited to, the following considerations:

- Methods used to derive cost estimates;
- Completeness and date of cost estimates;
- Relationship between cost and the activities to be undertaken;
- Cost per unit, if applicable; and
- Other items deemed relevant to the success of the proposed activities.

C. CAPACITY

Project sponsors must demonstrate the ability to carry out the proposed activities. Project sponsors will be evaluated on experience, administrative capacity, and financial management. Consideration will be given to current providers with exemplary performance records. Exemplary performance is defined as: receiving a high score in performance evaluations conducted by the DPHCD and consistently meeting or exceeding the accomplishment goals established for the ESG-funded activities.

D. MATCH

Consideration will be given to the amount of non-ESG funds committed to the project. The greater the financial support or leveraging from local and other sources, the greater the potential impact that ESG funds will have on meeting local homeless needs. Documentation must be provided with the application to verify the availability of match resources.

Organizations must match ESG funds a minimum of 100% from non-ESG sources. The amount of match required of each organization will be agreed upon during contract negotiations. Matching funds must be provided after the date of the grant award. Funds used to match a previous ESG activity may not be used to match a subsequent grant award.

Applicants may use any of the following as sources of match:

- Cash;
- The value or fair rental value of any donated material or building;
- The value of any lease on a building;
- Any salary paid to staff to carry out the program; and
- The value of the time and service contributed by volunteers to carry out the program.

(Note: Volunteers providing professional services such as medical or legal services are valued at the reasonable and customary rate in the community.)

Matching funds are required for all ESG projects.

(For the purposes of this section, the applicant may determine the value of any donated material, building or lease using any method to reasonably calculate and establish a fair market value).

E. OTHER APPLICATION FACTORS

Applicants are encouraged to develop a program that has a substantial and comprehensive effect on the needs and conditions identified in their application. These qualities will be carefully evaluated in the review of your application using the evaluation criteria presented on the ESG Proposal Application Evaluation Worksheet 2016.

It is strongly recommended that you consider these factors before preparing your application, as they are the same factors that will be used to judge the overall feasibility of your proposal.

F. SIGNATURE AUTHORIZATION FORM & DUNS NUMBER

The City of New Bedford Solicitor's Office will verify that the individual providing Signatory Authority on the Signature Authorization Form (RFP Application Page 31) is listed with the Office of the Secretary of the Commonwealth, Corporations Division as the current President or Clerk of your organization's Board of Directors. Prior to completing the Signature Authorization Form, please verify your information by logging on to the Secretary of Commonwealth, Corporations Division at: <http://corp.sec.state.ma.us/corpweb/CorpSearch/CorpSearch.aspx>. Follow the instructions present on the form.

The signatures of the President or Secretary currently registered with the Office of the Secretary of the Commonwealth, Corporations Division are the only valid signatures that can be used when completing the Signature Authorization Form.

The Federal Government now requires all applicants for Federal assistance to obtain a Data Universal Numbering System (DUNS) number provided by Dun & Bradstreet. Assignment of the number is FREE and can be obtained by phone at 1.866.705.5711 or online at <http://fedgov.dnb.com/webform>.

The phone process takes about 5-10 minutes and the online registration process may take a few days.

4 Bedroom	\$1,184	\$295

V. EVALUATION OF ESG PROPOSALS

Evaluation Criteria FY2016

Emergency Solutions Grant funds are awarded annually through a competitive proposal evaluation process. The evaluation considers all aspects of the proposal as described in the RFP and proposal application.

Proposals are reviewed by the staff of the city's DPHCD who first review each application for threshold information [completeness of application] and then for content. DPHCD staff review each proposal, ranking them using the city's DPHCD Proposal Application Evaluation Worksheet. Should a question arise during its review, the DPHCD reserves the right to contact the applicant for clarification. The results of those evaluations are then presented to the Project Review Committee of the HSPN and then finally to the Mayor's Review Committee that renders the final decision on grant awards.

While a well-written proposal is no guarantee of funding, this is a highly competitive process where the completeness, conciseness and responsiveness to the criteria described in the RFP is of utmost importance.

An ESG RFP Assistance Workshop will be conducted on Friday, January 15th at 10am to assist potential applicants in completing this year's proposal application.

Please contact the DPHCD at 508.979.1500 should you have any questions concerning this process or the application, itself.

All completed proposal applications are due without exception on Friday, February 12th no later than 12:00pm. There are no exceptions to this deadline.
