

FREE CAR SEAT INSPECTION

Saturday, September 30th,
2017

10:00am—1:00pm

*Swansea Ambulance Corps
285 Wilbur Ave.*

Rain or shine

Correctly used
child safety seats
can reduce the
risk of death
by as much as
71 percent.

3 out of **4** car seats in the US are installed **INCORRECTLY.**

Is your car seat installed correctly?

Is your child in the safest car seat?

Is your car seat expired?

Have your car seats checked for **FREE** by a
Certified Child Car Seat Technician.
