

Community Preservation Act (CPA) Application Workshop – FY19

Interested in applying for Community Preservation Act (CPA) funding?

If so, the Community Preservation Committee invites you to attend an application workshop that will include information about:

- CPA eligibility requirements
- The two-step CPA application process and timeline
- The Eligibility Determination process and form
- The Full Application process and form

CPA Applications will be made available at this workshop and will be made available through the city website following the meeting.

The Community Preservation Act (CPA) is statewide enabling legislation which allows communities to create funding to preserve open space and historic sites, create affordable housing, and develop outdoor recreational facilities. New Bedford voters adopted the CPA program through a ballot question in November 2014.
