CITY OF NEW BEDFORD

GRAFFITI REMOVAL GUIDE & REMOVAL REQUEST FORM

Mayor Jon Mitchell

*Prepared by the
City of New Bedford Office of Planning*

Introduction

Mayor Jonathan F. Mitchell is committed to removing graffiti from our city, but we need your assistance. The following information is provided for you as we work together in this initiative to permanently remove graffiti from every neighborhood in our City.

Reporting Graffiti

To report graffiti on any public or private building, street signs, overpasses, etc., please contact **John Lobo, of the Department of Community Services, at 508-979-1692 or by email at john.lobo@newbedford-ma.gov.**

If you are a business or homeowner, you may also directly contact the **Bristol County Sheriff's Office at 508-995-6400** and inform them that you have graffiti you would like removed from your premises and that you wish to be added to their list.

NOTE: Removing graffiti from public buildings, such as schools and community centers, is the priority of the City of New Bedford and the Bristol County Sheriff's Office. We are willing to assist business and homeowners as time and funding allows. We are asking for the assistance of business and homeowners to take responsibility for their properties and maintain them appropriately.

Tips for Reporting Graffiti

- ❑ Document graffiti with a photo or writing a brief description of the graffiti. Be sure to include the address or location and date.
- ❑ Report graffiti to the police and give them the photo and information. This provides the police with valuable information, allowing them to target problem areas.
- ❑ If you do not wish to contact the police, you may send the information by mail or email to, John Lobo, and he will forward it to the appropriate authority.

Tips for Removing Graffiti

- ❑ Identify the surface type and the substance to be removed.
- ❑ Select the appropriate removal method.
- ❑ Remove graffiti immediately; this sends the message that graffiti will not be tolerated and that future graffiti will not last.
- ❑ Apply a protective coating or paint to make removing graffiti easier.

Questions: call John Lobo, Department of Community Services at **508-979-1692**.
